

Prayer Focus

February 2024

Dear Friends,

“Without prayer we can do nothing”.

Prayer is such a powerful tool for all Christian ministry.
Thank you for joining with us in prayer as we focus on our work in Malawi.

This month we would like to concentrate our prayers on Hope Clinic and the Maternity Wing.

The clinic saw over 44,000 attendees last year, across both general outpatients and the specialist clinics.

The work of the dedicated medical team is appreciated by so many people in the community and further afield.

Please pray for:

- Good sleeping each night for the medical team, who are really busy during the day.
- Wisdom and guidance for the two doctors as they assess patients and diagnose issues.
- Continued provision of drugs and other resources needed each day.
- Safety for the team and strength to do their work.
- The ambulance team and that the vehicle will work well despite the state of the rural tracks.
- The families in need in the community and many who struggle to get to the clinic.
- The final stages of construction of the maternity wing and first midwife house.
- Provision of two competent midwives.
- Provision of continued funding for the clinic and maternity facilities.

Praise for:

- The dedicated team that we have at the clinic.
- That in the last four months of 2023, no one tested positive for HIV/AIDS out of 233 tested.
- The labour force who has built the maternity wing which is much larger than we first planned.
- The provision of the funding to enable the maternity wing to be built which will be an incredible asset to the community.

Starfish was born to create a world of difference, one by one!

“Without prayer, we can do nothing, for God provides for us and those we seek to serve”

Peter Bell, Head of Fundraising & Marketing
