

# Prayer Focus

**November 2023**

**Dear Friends,**

*"Without prayer we can do nothing".*

Prayer is such a powerful tool for all Christian ministry.  
Thank you for joining with us in prayer as we focus on our work in Malawi.

This month we are focusing on our work with students going to secondary school through our secondary school student sponsorship programme.

Over many years we have been able to encourage people to sponsor students, to allow those who have passed their exams and have applied for sponsorship, to move onto secondary school, through which they will be able to better their education and hopefully achieve grades to allow them to go onto a college or university and thereby equip them for a career.

However, each year we need more sponsors as more students are applying. This year we have 95 students needing sponsorship, but we only have 19 sponsors.

**Please pray:**

- That God will raise up more sponsors to allow students to go to secondary school.
- That students will be committed to learn well and achieve good grades.
- For Hancy and the Starfish team in Malawi as they help and encourage the students.
- For good letters to be written to sponsors to encourage them.
- For teachers as they engage with the students and that they teach them well.
- For Fiona in the UK as she co-ordinates the work between students and sponsors.

**Praise for:**

- Sponsors that we do have and those who have supported the work in the past.
- Hundreds of students who have gone through secondary education.
- Those students who are now in tertiary education.
- Former students now in employment in Malawi.

Sponsorship is £20 per month for 4 years.
